Case No. CV 05-00747 MMC

**STIPULATION TO CONTINUE
DECEMBER 1, 2006 STATUS
CONFERENCE AND [PROPOSED]
ORDER THEREON**

Date: December 1, 2006
Time: 10:30 a.m.
Crtrm.: 7

1 In July, 2006, the parties reached a tentative settlement of this case. After the tentative
2 settlement was reached, counsel for the parties have worked on the negotiation and finalization of
3 settlement agreements memorializing the settlement. The process of finalizing and
4 memorializing the settlement has been delayed because of the complexity of the settlement, which
5 involves multiple settlement agreements and multiple insurers. The parties and insurer have
6 finalized the settlement agreements, although the final settlement agreements have not been
7 executed by all of the parties. Counsel believe that (i) the final settlement agreements will be
8 fully executed by the parties by December 20, 2006; (ii) the final settlement agreements
9 provide for the dismissal of all claims and counterclaims in this case with prejudice; (iii) a
10 stipulation providing for the dismissal of all claims with prejudice will be submitted to the Court
11 by December 20, 2006; and (iv) once the dismissals provided for in the written settlement
12 agreements have been entered by the Court, then there will be no remaining claims in this case.

13 In light of the foregoing, the parties stipulate to a continuance of the December 1, 2006
14 status conference for 30 days.
